Docket No. 98N-1265-99 APR 12 P1:20  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS:

This is the only PROGESTERONE I can safely  
take. All others previously prescribed  
created many problems for me. This product  
alleviates my menopausal problems & all  
unnecessary bleeding —

I oppose the Draft MOU being  
proposed!!
